Assuming compliance with certain covenants and subject to the qualifications described in “TAX EXEMPTION” herein, in the opinion of Bond Counsel, under current law interest on the Series 2013A Bonds (a) will not be included in gross income of owners of the Series 2013A Bonds for federal income tax purposes and (b) will not be treated as a specific item of tax preference in computing the federal alternative minimum tax for individuals and corporations. Such interest may be included in the calculation of a corporation’s federal alternative minimum tax and may be subject to other federal income tax consequences as described in “TAX EXEMPTION” herein. In the opinion of Bond Counsel, under existing laws of the Commonwealth of Virginia, interest on the Series 2013A Bonds is not subject to Virginia taxation.

OFFICIAL STATEMENT OF
THE RECTOR AND VISITORS OF THE
UNIVERSITY OF VIRGINIA

relating to

$168,830,000
General Revenue Pledge Refunding Bonds, Series 2013A

INTRODUCTION

Purpose

This Official Statement, including the cover page and the Appendices, is furnished in connection with the sale of $168,830,000 aggregate principal amount of The Rector and Visitors of the University of Virginia (the “University”) General Revenue Pledge Refunding Bonds, Series 2013A (the “Series 2013A Bonds”). The Series 2013A Bonds will constitute valid and binding limited obligations of the University and will be secured by a pledge of certain revenues and receipts of the University, all as described herein. The principal of and interest on the Series 2013A Bonds shall be payable solely from the funds pledged therefor in accordance with the terms of the Bond Resolution, as herein defined. See “SECURITY FOR THE SERIES 2013A BONDS” herein. Terms capitalized but undefined in the body of this Official Statement are defined in Appendix C attached hereto.

The Series 2013A Bonds will bear interest at fixed rates until maturity. See “THE SERIES 2013A BONDS” herein.

The proceeds of the Series 2013A Bonds will be used by the University (a) to refund all of the University’s outstanding General Revenue Pledge Bonds, Series 2003B (the “Refunded Series 2003B Bonds”), a portion of the University’s outstanding General Revenue Pledge Bonds, Series 2005 (the “Refunded Series 2005 Bonds”), and a portion of the University’s outstanding Commercial Paper General Revenue Pledge Notes, Series A (Tax-Exempt) (the “Refunded CP” and together with the Refunded Series 2003B Bonds and the Refunded Series 2005 Bonds, the “Refunded Debt”), originally issued to finance and refinance the costs of capital improvements at the University’s educational and medical facilities located in the City of Charlottesville, Albemarle County and Wise County, Virginia, and (b) to pay other expenditures associated with the foregoing to the extent financeable, including, without limitation, costs of issuance with respect to the Series 2013A Bonds. See “APPLICATION OF SERIES 2013A BOND PROCEEDS – Plan of Refunding” herein.

Contemporaneously with the issuance of the Series 2013A Bonds, the University anticipates issuing its General Revenue Pledge Refunding Bonds, Series 2013B, in an aggregate principal amount of $61,595,000 (the “Series 2013B Bonds”). The Series 2013B Bonds will be delivered to the owners of certain of the University’s outstanding General Revenue Pledge Bonds, Series 2005 which are not included in the Refunded Series 2005 Bonds described above, in exchange for their portion of the Series 2005 Bonds (the “Exchange Refunded Series 2005 Bonds”). The Exchange Refunded Series 2005 Bonds will be extinguished contemporaneously with such exchange. The Series 2013B Bonds will be Parity Credit Obligations (as hereinafter defined) secured on a parity basis by a pledge of Pledged Revenues (as hereinafter defined). This Official Statement is not intended to provide a description of the terms of the Series 2013B Bonds. Upon the refunding of the Refunded Series 2005 Bonds and the exchange of the Exchange Refunded Series 2005 Bonds, a portion of the University’s General Revenue Pledge Bonds, Series 2005 will remain outstanding.
The University

The University is classified and constituted pursuant to Title 23 of the Code of Virginia of 1950, as amended, as an educational institution of the Commonwealth of Virginia. See Appendix A attached hereto for a description of the University. The Series 2013A Bonds will be issued under the Restructured Higher Education Financial and Administrative Operations Act, Chapter 4.10, Title 23, Code of Virginia of 1950, as amended (the “Act”), pursuant to the terms of certain resolutions adopted by the Board of Visitors of the University (the “Board”) on February 22, 2013 (collectively, the “Bond Resolution”).

Appendices

In addition to Appendix A describing the University, attached hereto as Appendix B are the University’s audited financial statements for the fiscal year ended June 30, 2012. Also included in Appendix B is the University’s Management’s Discussion and Analysis, which provides an overview of the financial position and results of activities of the University for the fiscal year ended June 30, 2012. Attached hereto as Appendix C are certain definitions and a summary of the Bond Resolution. Attached hereto as Appendix D is the proposed form of Opinion of Bond Counsel. Attached hereto as Appendix E is the proposed form of Continuing Disclosure Agreement.

Document Summaries

This Official Statement contains summaries of certain provisions of the financing documents, including without limitation, the Bond Resolution. Reference is hereby made to each of such financing documents for the detailed provisions thereof, and the summaries and other descriptions of the provisions of such instruments and other documents contained in this Official Statement, including the Appendices hereto, are qualified in their entirety by such reference.

THE SERIES 2013A BONDS

The following is a summary of certain provisions of the Series 2013A Bonds. For definitions of certain terms and additional detailed information relating to the Series 2013A Bonds, see Appendix C attached hereto.

General

The Series 2013A Bonds will be issued in the aggregate principal amount of $168,830,000. The Series 2013A Bonds will be dated the date of their delivery and will mature on June 1 in the years and amounts as set forth on the inside cover page hereof. Interest on the Series 2013A Bonds will be payable semi-annually on June 1 and December 1, commencing on June 1, 2013, at the rates per annum shown on the inside cover page hereof, calculated on the basis of a 360-day year consisting of 12 months of 30 days each. The Series 2013A Bonds will be offered in denominations of $5,000 and integral multiples thereof (“Authorized Denominations”).

Redemption

Mandatory Sinking Fund Redemption. The Series 2013A Bonds that are stated to mature on June 1, 2037, are subject to mandatory sinking fund redemption, and shall be redeemed, in part, at a redemption price equal to 100% of the principal amount to be redeemed plus interest accrued to the sinking fund redemption date in the amounts and on the dates set forth below:

† Maturity

Optional Redemption. Series 2013A Bonds that are stated to mature on or before June 1, 2023, are not subject to optional redemption. Series 2013A Bonds that are stated to mature on or after June 1, 2024, are subject to redemption, at the option of the University, in whole or in part on any date not earlier than June 1, 2023, upon payment of a redemption price equal to 100% of the principal amount to be redeemed, plus interest accrued to the redemption date.

Extraordinary Optional Redemption. The Series 2013A Bonds shall also be subject to redemption in whole or in part on any date, at the option of the University, from the proceeds of casualty insurance or condemnation awards, at a redemption price equal to 100% of the principal amount of the Series 2013A Bonds to be redeemed, without premium, plus accrued interest to the redemption date, if all or any part of the Project refinanced with the Series 2013A Bonds is damaged or destroyed or is taken through the exercise of the power of eminent domain and the President, Chief Operating Officer or Chief Financial Officer of the University has delivered a certificate to the Custodian to the effect that the University has determined not to use such proceeds to replace or rebuild the damaged, destroyed or taken property.

Notice of Redemption and Other Notices. So long as The Depository Trust Company (“DTC”), New York, New York, or its nominee is the Bondholder, the University and the Paying Agent will recognize DTC or its nominee as the Bondholder for all purposes, including notices and voting. Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners (as hereinafter defined) will be governed by arrangements among them, subject to any statutory and regulatory requirements as may be in effect from time to time. See “Book-Entry Only System” below.

The Paying Agent shall, not less than 30 nor more than 60 days prior to the redemption date, mail notice of redemption to all registered owners of all Series 2013A Bonds to be redeemed at their registered addresses. Any such notice of redemption shall identify the Series 2013A Bonds to be redeemed, shall specify the redemption date and the redemption price, and shall state that on the redemption date the Series 2013A Bonds called for redemption will be payable at the designated office of the Paying Agent and that from that date interest will cease to accrue. Failure by the Paying Agent to give any notice of redemption or any defect in such notice as to any particular Series 2013A Bonds shall not affect the validity of the call for redemption of any Series 2013A Bonds in respect of which no such failure or defect has occurred. So long as DTC or its nominee is the registered owner of the Series 2013A Bonds, any failure on the part of DTC or failure on the part of a nominee of a Beneficial Owner (having received notice from a Direct Participant or otherwise) to notify the Beneficial Owner so affected, shall not affect the validity of the call for redemption. Any notice mailed as provided in the Bond Resolution shall be conclusively presumed to have been given regardless of whether actually received by any Beneficial Owner. If at the time of mailing of notice of any optional redemption the University shall not have caused to be deposited with the Paying Agent money sufficient to redeem all the Series 2013A Bonds called for redemption, such notice may state that it is conditional in that it is subject to the deposit of such moneys with the Paying Agent not later than the redemption date, and such notice shall be of no effect unless such moneys are so deposited.

Selection for Redemption. Subject to applicable procedures of DTC while the Series 2013A Bonds are held in book-entry form by DTC, if less than all of the Series 2013A Bonds are to be called for
redemption, the Series 2013A Bonds to be redeemed shall be selected by the University in such manner as the University in its discretion may determine.

**Book-Entry Only System**

Upon initial issuance, the Series 2013A Bonds will be available only in book-entry form, and will be available only in Authorized Denominations. DTC will act as securities depository for the Series 2013A Bonds. The Series 2013A Bonds will be issued as fully-registered securities registered in the name of Cede & Co. (DTC’s partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered bond certificate will be issued for each maturity of the Series 2013A Bonds, each in the aggregate principal amount of such maturity, and will be deposited with DTC.

DTC, the world’s largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a “banking organization” within the meaning of the New York Banking Law, a member of the Federal Reserve System, a “clearing corporation” within the meaning of the New York Uniform Commercial Code, and a “clearing agency” registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934, as amended. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC’s participants (“Direct Participants”) deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants’ accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation (“DTCC”). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly (“Indirect Participants”). DTC has a Standard & Poor’s rating of AA+. The DTC Rules applicable to its Direct and Indirect Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at [www.dtcc.com](http://www.dtcc.com).

Purchases of Series 2013A Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Series 2013A Bonds on DTC’s records. The ownership interest of each actual purchaser of the Series 2013A Bonds (a “Beneficial Owner”) is in turn to be recorded on the Direct and Indirect Participants’ records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Series 2013A Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in Series 2013A Bonds, except in the event that use of the book-entry system for the Series 2013A Bonds is discontinued.

To facilitate subsequent transfers, all Series 2013A Bonds deposited by Direct Participants with DTC are registered in the name of DTC’s partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of Series 2013A Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in
beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Series 2013A Bonds; DTC’s records reflect only the identity of the Direct Participants to whose accounts such Series 2013A Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of Series 2013A Bonds may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Series 2013A Bonds, such as redemptions, defaults, and proposed amendments to the Bond Resolution. For example, Beneficial Owners of Series 2013A Bonds may wish to ascertain that the nominee holding the Series 2013A Bonds for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the Registrar and request that copies of notices be provided directly to them.

Redemption notices shall be sent to DTC. If less than all of the Series 2013A Bonds within a maturity are being redeemed, DTC’s practice is to determine by lot the amount of the interest of each Direct Participant in such maturity to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to Series 2013A Bonds unless authorized by a Direct Participant in accordance with DTC’s MMI Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the University as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.’s consenting or voting rights to those Direct Participants to whose accounts Series 2013A Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Principal and interest payments on the Series 2013A Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC’s practice is to credit Direct Participants’ accounts upon DTC’s receipt of funds and corresponding detail information from the University or the Paying Agent, on the payable date in accordance with their respective holdings shown on DTC’s records. Payments by Direct and Indirect Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in “street name,” and will be the responsibility of such Direct and Indirect Participant and not of DTC (or its nominee), the Paying Agent or the University, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of principal and interest to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the University or the Paying Agent, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

DTC may discontinue providing its services as securities depository with respect to the Series 2013A Bonds at any time by giving reasonable notice to the University or the Paying Agent. Under such circumstances, in the event that a successor securities depository is not obtained, Series 2013A Bond certificates are required to be printed and delivered.

The University may decide to discontinue use of the system of book-entry only transfers through DTC (or a successor securities depository). In that event, Series 2013A Bond certificates will be printed and delivered.
The information contained herein concerning DTC and DTC’s book-entry system has been obtained from sources that the University believes to be reliable, but the University and the Paying Agent take no responsibility for the accuracy thereof.

Neither the University nor the Paying Agent will have any responsibility or obligation to such Direct or Indirect Participants or the persons for whom they act as nominees with respect to the payments to the Direct Participants, the Indirect Participants or Beneficial Owners.

**Exchange and Transfer**

If for any reason the book-entry only system is discontinued, the Series 2013A Bonds will be exchangeable and transferable on the registration books of the Registrar in Authorized Denominations. Upon presentation and surrender of any Series 2013A Bond for transfer or exchange, the Registrar will authenticate and deliver in the name of the designated transferee or transferees or the registered Bondholder, as appropriate, one or more new fully registered Series 2013A Bonds in any Authorized Denomination or Denominations. For every exchange or transfer of Series 2013A Bonds, the Registrar may make a charge sufficient to reimburse it for any tax, fee or other governmental charge required to be paid with respect to such exchange or transfer.

**APPLICATION OF SERIES 2013A BOND PROCEEDS**

**Plan of Refunding**

Proceeds of the Series 2013A Bonds will be used primarily (a) to currently refund all of the University’s outstanding General Revenue Pledge Bonds, Series 2003B, in an aggregate principal amount of $15,775,000, which are referred to herein as the Refunded Series 2003B Bonds, (b) to advance refund a portion of the University’s outstanding General Revenue Pledge Bonds, Series 2005, in an aggregate principal amount of $69,895,000, which are referred to herein as the Refunded Series 2005 Bonds, and (c) to currently refund a portion of the University’s outstanding Commercial Paper General Revenue Pledge Notes, Series A (Tax-Exempt), in an aggregate principal amount of $100,000,000, which are referred to herein as the Refunded CP.

Upon issuance of the Series 2013A Bonds, a portion of the proceeds thereof will be deposited into one or more escrow funds (collectively, the “Escrow Fund”) with The Bank of New York Mellon Trust Company, N.A., as escrow agent (the “Escrow Agent”), established pursuant to an Escrow Deposit Agreement dated as of March 1, 2013 (the “Escrow Deposit Agreement”), between the University, the Paying Agent and the Escrow Agent, in an amount which, together with investment earnings thereon, will be sufficient to pay all principal of, and premium, if any, and interest on the Refunded Series 2003B Bonds and the Refunded Series 2005 Bonds to and including the applicable payment and redemption dates therefor. For further information regarding the refunding of the Refunded Series 2003B Bonds and the Refunded Series 2005 Bonds, see “VERIFICATION OF MATHEMATICAL COMPUTATIONS” herein.

Upon making such deposit with the Escrow Agent and the execution of the Escrow Deposit Agreement, the Refunded Series 2003B Bonds and the Refunded Series 2005 Bonds will, under the terms of the Bond Resolution, no longer be deemed to be outstanding and shall be deemed to have been paid and will cease to be entitled to any lien, benefit or security under such resolution.

Upon issuance of the Series 2013A Bonds, a portion of the proceeds thereof will be deposited with The Bank of New York Mellon Trust Company, N.A., as paying agent for the Refunded CP, in an amount which will be sufficient to pay all principal of and interest on the Refunded CP to and including the applicable maturity dates therefor.

SECURITY FOR THE SERIES 2013A BONDS

The following summary of the security for the Series 2013A Bonds is qualified in its entirety and reference is hereby made to Appendix C hereto which sets forth in further detail provisions relating to the security for the Series 2013A Bonds and to the Bond Resolution. For definitions of certain capitalized terms used but not defined herein, see Appendix C attached hereto.

Pledge of Pledged Revenues

Pursuant to the Bond Resolution, the University is required to pay the principal of and interest on the Series 2013A Bonds as they become due upon redemption, acceleration, maturity or otherwise. The Series 2013A Bonds are secured, together with the Outstanding General Revenue Pledge Bonds (as hereinafter defined) and other Credit Obligations of the University secured on a parity basis with the Series 2013A Bonds (collectively, “Parity Credit Obligations”), by a pledge of Pledged Revenues. See “Existing and Permitted Parity Credit Obligations” below.

“Pledged Revenues” means any or all of the revenues now or hereafter available to the University which are not required by law, by binding contract entered into prior to the date of the Bond Resolution, or by the provisions of any Qualifying Senior Obligation (as hereinafter defined) to be devoted to some other purpose and will include, without limitation, all revenues pledged to the payment of any Qualifying Senior Obligation net of amounts necessary to pay it or any operating or other expenses, the payment of which is required or permitted to be made with such revenues prior to payment of such Qualifying Senior Obligation.

“Qualifying Senior Obligation” means any existing Credit Obligation (other than Outstanding General Revenue Pledge Bonds or any other Parity Credit Obligation) secured by a pledge of any portion of the University’s revenues and any additional Credit Obligation issued to refund such obligations. See “Qualifying Senior Obligations and Credit Obligations” and “Existing and Permitted Parity Credit Obligations” below.
Qualifying Senior Obligations and Credit Obligations

The Bond Resolution permits the University, within the limitations described below and subject to certain other restrictions, to pledge in the future the revenues from certain revenue producing facilities or systems to the payment of future Qualifying Senior Obligations, with such pledge being superior to the pledge securing the Series 2013A Bonds and with operating expenses of such facilities or systems also having a prior claim to such revenues. For example, Qualifying Senior Obligations may include those secured by a pledge of net revenues from certain dormitory, dining hall, parking or student fees. All such pledges would be (1) prior and superior to the pledge securing the Series 2013A Bonds, and (2) net of operating expenses for the related facility or system, and such revenues would be available to pay the Series 2013A Bonds and other Parity Credit Obligations only to the extent such revenues are not required for either operating expenses of the facility or system involved or debt service on the related Qualifying Senior Obligations.

Under the Bond Resolution, the University may incur, assume, guarantee or otherwise become liable on certain Qualifying Senior Obligations and may pledge and apply such portion of the Pledged Revenues as may be necessary to provide for (1) the payment of any such Credit Obligation, (2) the funding of reasonable reserves therefor and (3) the payment of operating and other reasonable expenses of the facilities financed in whole or in part with the proceeds of such Credit Obligation or facilities reasonably related to such facilities, and such pledge shall be senior and superior in all respects to the pledge of Pledged Revenues securing the Series 2013A Bonds and any other Parity Credit Obligations, but only if, prior to the incurrence of each such Credit Obligation, an Authorized Officer of the University certifies in writing that (1) taking into account the incurrence of such proposed Credit Obligation, (a) the University will have sufficient funds to meet all of its financial obligations, including its obligations to pay principal of and interest on all Credit Obligations, for all Fiscal Years to and including the second full Fiscal Year after the later of (i) the issuance of such proposed Credit Obligation and (ii) the completion of any facility financed with its proceeds, and (b) such Authorized Officer has no reason to believe that the University will not have sufficient funds to pay all amounts due under all indebtedness of the University during the term of such proposed Credit Obligation, (2) to the best of Authorized Officer’s knowledge, the University is not in default in the performance and observance of any of the provisions of the Bond Resolution, and (3) in connection with the issuance of such proposed Credit Obligation, the University has received an opinion of counsel nationally recognized in matters concerning municipal bonds to the effect such proposed Credit Obligation has been validly issued under the relevant provisions of the Constitution of Virginia.

The Bond Resolution further permits the University to issue bonds to refund any Qualifying Senior Obligations and to secure such refunding bonds with the same source of revenues securing the Qualifying Senior Obligations being refunded. Upon the defeasance of the refunded Qualifying Senior Obligations pursuant to any such refunding, the refunding bonds will be considered Qualifying Senior Obligations under the Bond Resolution.

Currently, other than the University’s portion (which as of June 30, 2012, was $9,927,820) of certain general revenue bonds previously issued by the Commonwealth of Virginia, there are no Qualifying Senior Obligations and the University has no plans to issue any Qualifying Senior Obligations.

Existing and Permitted Parity Credit Obligations

The University previously has issued Parity Credit Obligations, the outstanding principal amount of which as of June 30, 2012, was $1,191,035,000 (which figure includes the amount of the Refunded Debt, the outstanding principal amount of the University’s Commercial Paper General Revenue Pledge Notes, and certain bonds issued on behalf of the University by the Virginia College Building Authority) (collectively, the “Outstanding General Revenue Pledge Bonds”). All of the Outstanding General
Revenue Pledge Bonds are secured by a pledge of Pledged Revenues on a parity with the pledge securing the Series 2013A Bonds. See “Financial Information – Indebtedness and Other Obligations” in Appendix A attached hereto.

The Bond Resolution permits the University to incur, assume, guarantee or otherwise become liable on other indebtedness that may be secured by a pledge of the Pledged Revenues ranking on a parity with the pledge securing the Outstanding General Revenue Pledge Bonds and the Series 2013A Bonds, but only if an Authorized Officer of the University certifies in writing that (1) taking into account the incurrence of such proposed Parity Credit Obligation, (a) the University will have sufficient funds to meet all of its financial obligations, including its obligations to pay principal of and interest on all Credit Obligations, for all Fiscal Years to and including the second full Fiscal Year after the later of (i) the issuance of such Parity Credit Obligation and (ii) the completion of any facility financed with the proceeds of such Parity Credit Obligation, and (b) such Authorized Officer has no reason to believe that the University will not have sufficient funds to pay all amounts due under all indebtedness of the University during the term of such Parity Credit Obligation, and (2) to the best of such Authorized Officer’s knowledge, the University is not in default in the performance and observance of any of the provisions of the Bond Resolution.

THE SERIES 2013A BONDS AND THE INTEREST THEREON SHALL NOT BE DEEMED TO CONSTITUTE A DEBT OR LIABILITY OF THE COMMONWEALTH OF VIRGINIA, LEGAL, MORAL OR OTHERWISE. NEITHER THE COMMONWEALTH OF VIRGINIA NOR THE UNIVERSITY SHALL BE OBLIGATED TO PAY THE PRINCIPAL OF OR INTEREST ON THE SERIES 2013A BONDS OR OTHER COSTS INCIDENT THERETO EXCEPT FROM SOURCES PLEDGED THEREFOR IN THE BOND RESOLUTION, AND NEITHER THE FAITH AND CREDIT NOR FUNDS OF THE UNIVERSITY ARE PLEDGED TO THE PAYMENT OF THE PRINCIPAL OF OR THE INTEREST ON THE SERIES 2013A BONDS OR OTHER COSTS INCIDENT THERETO. THE UNIVERSITY HAS NO TAXING POWER.

Defeasance

If the University provides to the Paying Agent cash or noncallable Government Obligations sufficient to provide for payment of all or part of the Series 2013A Bonds and meets certain other requirements, such Series 2013A Bonds will no longer be secured by the pledge of Pledged Revenues but instead by such cash or noncallable Government Obligations. Such requirements are described more fully in “Defeasance” in Appendix C attached hereto.

No Liens or Reserves; Disposition of Assets

The Series 2013A Bonds are not secured by any lien on or security interest in any property of the University or any reserves. The University is generally free to sell, encumber or otherwise dispose of its property if such disposition is either in the ordinary course of business, or if an Authorized Officer certifies in writing that taking into account such disposition (1) the University will have sufficient funds to meet all of its financial obligations, including its obligations to pay principal of and interest on all Credit Obligations for all Fiscal Years, to and including the second full Fiscal Year after such disposition and (2) such Authorized Officer has no reason to believe that the University will not have sufficient funds to pay all amounts due under all indebtedness of the University then outstanding.

Operating Covenants; Amendments

In the Bond Resolution, the University has entered into certain operating covenants, which, along with other provisions relating to the security for the Series 2013A Bonds, may be amended with or without the consent of the holders of a majority of the principal amount of the Series 2013A Bonds then
outstanding. See “Supplemental Bond Resolutions Without Bondholder Consent” and “Supplemental Resolutions Requiring Bondholder Consent” in Appendix C attached hereto.

ENFORCEABILITY OF REMEDIES

The remedies available to the registered holders of the Series 2013A Bonds upon an event of default under the Bond Resolution are in many respects dependent upon regulatory and judicial actions, which are often subject to discretion and delay. Under existing law, the remedies provided under the Bond Resolution may not be readily available or may be limited. The various legal opinions to be delivered concurrently with the delivery of the Series 2013A Bonds will be qualified as to enforceability of the various legal instruments, limitations imposed by bankruptcy, reorganization, insolvency or similar laws affecting the rights of creditors generally and by judicial discretion applicable to equitable remedies and proceedings generally. See “Events of Default” and “Remedies Upon Default” in Appendix C attached hereto.

CERTAIN LEGAL MATTERS

All legal matters incident to the authorization, issuance, sale and delivery of the Series 2013A Bonds are subject to the approval of McGuireWoods LLP, Richmond, Virginia, Bond Counsel to the University (“Bond Counsel”). Certain legal matters will be passed upon for the University by Paul J. Forch, General Counsel to the University and Special Assistant Attorney General, and for the Underwriters by their counsel, Troutman Sanders LLP, Richmond, Virginia.

LITIGATION

There is no threatened or pending litigation against or affecting the University that, to the knowledge of the University, seeks to restrain or enjoin the issuance, sale or delivery of the Series 2013A Bonds, or to in any way contest or affect the validity of the Series 2013A Bonds, the Bond Resolution, or any proceedings of the University taken with respect to the issuance or sale of the Series 2013A Bonds or with respect to the Bond Resolution, or in any way contesting the existence or powers of the University. See “Litigation” in Appendix A attached hereto.

TAX EXEMPTION

Opinion of Bond Counsel – Federal Income Tax Status of Interest

Bond Counsel’s opinion will state that, under current law, interest on the Series 2013A Bonds (including any accrued “original issue discount” properly allocable to the owners of the Series 2013A Bonds) is excludable from gross income for purposes of federal income taxation and is not a specific item of tax preference for purposes of the federal alternative minimum tax imposed on individuals and corporations (a “Specific Tax Preference Item”). However, for purposes of the alternative minimum tax imposed on corporations (as defined for federal income tax purposes under Section 56 of the Internal Revenue Code of 1986, as amended (the “Code”)), interest on the Series 2013A Bonds must be included in computing adjusted current earnings. See Appendix D attached hereto for the proposed form of opinion of Bond Counsel.

Bond Counsel will express no opinion regarding other federal tax consequences arising with respect to the Series 2013A Bonds.

Bond Counsel’s opinion speaks as of its date, is based on current legal authority and precedent, covers certain matters not directly addressed by such authority and precedent, and represents Bond Counsel’s judgment as to the proper treatment of interest on the Series 2013A Bonds for federal income taxation.
tax purposes. Bond Counsel’s opinion does not contain or provide any opinion or assurance regarding the future activities of the University or about the effect of future changes in the Code, the applicable regulations, the interpretation thereof or the enforcement thereof by the Internal Revenue Service (the “IRS”). The University has covenanted, however, to comply with the requirements of the Code.

Reliance and Assumptions; Effect of Certain Changes

In delivering its opinion regarding the Series 2013A Bonds, Bond Counsel is relying upon (i) computations provided by the Underwriters, relating to the yield on the Series 2013A Bonds and the yield on investments made with the proceeds of the Series 2013 Bonds and other amounts, the mathematical accuracy of which was verified by Causey Demgen & Moore P.C., and (ii) certifications of representatives of the University, the Underwriters and other parties as to facts material to the opinion, which Bond Counsel has not independently verified.

In addition, Bond Counsel is assuming continuing compliance with the Covenants (as hereinafter defined) by the University. The Code and the regulations promulgated thereunder contain a number of requirements that must be satisfied after the issuance of the Series 2013A Bonds in order for interest on the Series 2013A Bonds to be and remain excludable from gross income for purposes of federal income taxation. These requirements include, by way of example and not limitation, the requirement that the University comply with certain provisions of the Code regarding, among other things, certain tax-exempt obligations, restrictions on the use, expenditure and investment of the proceeds of the Series 2013A Bonds and the use of the property financed or refinanced by the Series 2013A Bonds, limitations on the source of the payment of and the security for the Series 2013A Bonds, and the obligation to rebate certain excess earnings on the gross proceeds of the Series 2013A Bonds to the Treasury (as hereinafter defined). Failure by the University to comply with its Covenants could cause interest on the Series 2013A Bonds to become includable in gross income for federal income tax purposes retroactively to their date of issue. In the event of noncompliance with the Covenants, the available enforcement remedies may be limited by applicable provisions of law and, therefore, may not be adequate to prevent interest on the Series 2013A Bonds from becoming includible in gross income for federal income tax purposes.

Bond Counsel has no responsibility to monitor compliance with the Covenants after the date of issue of the Series 2013A Bonds.

Certain requirements and procedures contained, incorporated or referred to in the Bond Resolution and the Tax Certificate, including the Covenants, may be changed and certain actions may be taken or omitted under the circumstances and subject to the terms and conditions set forth in such documents. Bond Counsel expresses no opinion concerning any effect on the excludability of interest on the Series 2013A Bonds from gross income for federal income tax purposes of any such subsequent change or action that may be made, taken or omitted upon the advice or approval of counsel other than Bond Counsel.

Certain Collateral Federal Tax Consequences

The following is a brief discussion of certain collateral federal income tax matters with respect to the Series 2013A Bonds. It does not purport to address all aspects of federal taxation that may be relevant to a particular owner thereof. Prospective purchasers of such Series 2013A Bonds, particularly those who may be subject to special rules, are advised to consult their own tax advisors regarding the federal tax consequences of owning or disposing of the Series 2013A Bonds.
Prospective purchasers of the Series 2013A Bonds should be aware that the ownership of tax-exempt obligations may result in collateral federal income tax consequences to certain taxpayers including, without limitation, financial institutions, certain insurance companies, certain corporations (including S corporations and foreign corporations), certain foreign corporations subject to the “branch profits tax,” individual recipients of Social Security or Railroad Retirement benefits, taxpayers who may be deemed to have incurred or continued indebtedness to purchase or carry tax-exempt obligations and taxpayers attempting to qualify for the earned income tax credit.

In addition, prospective purchasers should be aware that the interest paid on, and the proceeds of the sale of, tax-exempt obligations, including the Series 2013A Bonds, are in many cases required to be reported to the IRS in a manner similar to interest paid on taxable obligations. Additionally, backup withholding may apply to any such payments made after March 31, 2007 to any Series 2013A Bond owner who fails to provide an accurate Form W-9 Request for Taxpayer Identification Number and Certification, or a substantially identical form, or to any Series 2013A Bond owner who is notified by the IRS of a failure to report all interest and dividends required to be shown on federal income tax returns. The reporting and withholding requirements do not in and of themselves affect the excludability of such interest from gross income for federal tax purposes or any other federal tax consequence of purchasing, holding or selling tax-exempt obligations.

**Original Issue Discount**

The “original issue discount” (“OID”) on any Series 2013A Bond is the excess of such bond’s stated redemption price at maturity (excluding certain “qualified stated interest” that is unconditionally payable at least annually at prescribed rates) over the issue price of such bond. The “issue price” of a Series 2013A Bond is the initial offering price to the public at which price a substantial amount of such bonds of the same maturity was sold. The “public” does not include bond houses, brokers, or similar persons or organizations acting in the capacity of underwriters, placement agents or wholesalers. The issue price for each maturity of the Series 2013A Bonds is expected to be the initial public offering price set forth on the cover of this Official Statement, but is subject to change based on actual sales. OID on the Series 2013A Bonds with OID (the “OID Bonds”) represents interest that is excludable from gross income for purposes of federal and Virginia income taxation. However, the portion of the OID that is deemed to have accrued to the owner of an OID Bond in each year may be included in determining the alternative minimum tax and the distribution requirements of certain investment companies and may result in some of the collateral federal income tax consequences mentioned in the preceding subsection. Therefore, owners of OID Bonds should be aware that the accrual of OID in each year may result in alternative minimum tax liability, additional distribution requirements or other collateral federal and Virginia income tax consequences although the owner may not have received cash in such year.

Interest in the form of OID is treated under Section 1288 of the Code as accruing under a constant yield method that takes into account compounding on a semiannual or more frequent basis. If an OID Bond is sold or otherwise disposed of between semiannual compounding dates, then the OID which would have accrued for that semiannual compounding period for federal income tax purposes is to be apportioned in equal amounts among the days in such compounding period.

In the case of an original owner of an OID Bond, the amount of OID that is treated as having accrued on such OID Bond is added to the owner’s cost basis in determining, for federal income tax purposes, gain or loss upon its disposition (including its sale, redemption or payment at maturity). The amounts received upon such disposition that are attributable to accrued OID will be excluded from the gross income of the recipients for federal income tax purposes. The accrual of OID and its effect on the redemption, sale or other disposition of OID Bonds that are not purchased in the initial offering at the initial offering price may be determined according to rules that differ from those described above.
Prospective purchasers of OID Bonds should consult their own tax advisors with respect to the precise determination for federal income tax purposes of interest accrued upon sale or redemption of such OID Bonds and with respect to state and local tax consequences of owning OID Bonds.

**Bond Premium**

In general, if an owner acquires a bond for a purchase price (excluding accrued interest) or otherwise at a tax basis that reflects a premium over the sum of all amounts payable on the bond after the acquisition date (excluding certain “qualified stated interest” that is unconditionally payable at least annually at prescribed rates), that premium constitutes “bond premium” on that bond (a “Premium Bond”). In general, under Section 171 of the Code, an owner of a Premium Bond must amortize the bond premium over the remaining term of the Premium Bond, based on the owner’s yield over the remaining term of the Premium Bond, determined based on constant yield principles. An owner of a Premium Bond must amortize the bond premium by offsetting the qualified stated interest allocable to each interest accrual period under the owner’s regular method of accounting against the bond premium allocable to that period. In the case of a tax-exempt Premium Bond, if the bond premium allocable to an accrual period exceeds the qualified stated interest allocable to that accrual period, the excess is a nondeductible loss. Under certain circumstances, the owner of a Premium Bond may realize a taxable gain upon disposition of the Premium Bond even though it is sold or redeemed for an amount less than or equal to the owner’s original acquisition cost. Prospective purchasers of any Premium Bonds should consult their own tax advisors regarding the treatment of bond premium for federal income tax purposes, including various special rules relating thereto, and state and local tax consequences, in connection with the acquisition, ownership, amortization of bond premium on, sale, exchange, or other disposition of Premium Bonds.

**Effects of Future Enforcement, Regulatory and Legislative Actions**

The IRS has established a program to audit tax-exempt obligations to determine whether the interest thereon is includable in gross income for federal income tax purposes. If the IRS does audit the Series 2013A Bonds, the IRS will, under its current procedures, treat the University as the taxpayer. As such, the beneficial owners of the Series 2013A Bonds will have only limited rights, if any, to participate in the audit or any administrative or judicial review or appeal thereof. Any action of the IRS, including but not limited to the selection of the Series 2013A Bonds for audit, or the course or result of such audit, or an audit of other obligations presenting similar tax issues, may affect the marketability or market value of the Series 2013A Bonds.

Legislation affecting tax-exempt obligations is regularly considered by the United States Congress and various State legislatures. The U.S. Department of the Treasury and the IRS are continuously drafting regulations to interpret and apply the provisions of the Code. Court proceedings may also be filed the outcome of which could modify the federal or State tax treatment of tax-exempt obligations. There can be no assurance that legislation proposed or enacted after the date of issue of the Series 2013A Bonds, regulatory clarification of the Code or actions by a court involving either the Series 2013A Bonds or other tax-exempt obligations will not have an adverse effect on the Series 2013A Bonds’ federal or State tax status, marketability or market price or on the economic value of the tax-exempt status of the interest on the Series 2013A Bonds.

As one example, the Obama administration recently announced a legislative proposal which, for tax years beginning on or after January 1, 2013, would subject to federal income taxation a portion of the interest on tax-exempt obligations received by certain high-income taxpayers. The likelihood of the enactment of such legislation in its proposed form or of any similar legislation cannot be reliably predicted.
Prospective purchasers of the Series 2013A Bonds should consult their own tax advisors regarding the potential consequences of any such pending or proposed federal or State tax legislation, regulations or litigation, as to which Bond Counsel expresses no opinion.

**State Income Tax Treatment**

Bond Counsel’s opinion also will state that, under existing law, interest on the Series 2013A Bonds is excludable from gross income of the owners thereof for the purposes of income taxation by the Commonwealth and any of its political subdivisions. Bond Counsel will express no opinion regarding (i) other Virginia tax consequences arising with respect to the Series 2013A Bonds or (ii) any consequences arising with respect to the Series 2013A Bonds under the tax laws of any state or local jurisdiction other than Virginia. Prospective purchasers of the Series 2013A Bonds should consult their own tax advisors regarding the tax status of interest on the Series 2013A Bonds in a particular state or local jurisdiction other than Virginia.

**FINANCIAL ADVISOR**

Prager & Co., LLC of San Francisco, California, serves as financial advisor to the University in connection with the issuance of the Series 2013A Bonds.

**UNDERWRITING**

The Series 2013A Bonds are being purchased by the Underwriters at a price of $194,514,505.93 (reflecting the principal amount of $168,830,000.00, plus net original issue premium of $26,327,739.80, minus an underwriters’ discount of $643,233.87 or approximately 0.380995% of the original stated principal amount of the Series 2013A Bonds). The Bond Purchase Agreement between the University and J.P. Morgan Securities LLC, as representative of the Underwriters, provides that the Underwriters will purchase all of the Series 2013A Bonds to be purchased if any Series 2013A Bonds are purchased.

The Bond Purchase Agreement provides that the Underwriters may offer and sell the Series 2013A Bonds to certain dealers and others at prices lower than the public offering prices stated on the inside cover page hereof, and the public offering prices set forth on the inside cover page may be changed after the initial offering by the Underwriters. In addition, the Bond Purchase Agreement provides that the University will reimburse the Underwriters for certain expenses incurred in connection with the offering of the Series 2013A Bonds.

The University is not contractually obligated to supplement or update the information included in this Official Statement after the delivery of the Series 2013A Bonds except as provided in the Continuing Disclosure Agreement. The Underwriters have not undertaken either to supplement or update the information included in this Official Statement.

The University previously has undertaken to provide continuing disclosure pursuant to Rule 15c2-12, both in connection with its general revenue pledge bonds issued in 1999, 2003, 2005, 2008, 2009, 2010 and 2011 and in connection with various bonds issued by the Virginia College Building Authority, a portion of the proceeds of which benefited the University, beginning in 1997. To date, the University has complied with such undertakings in all material respects.

payments of interest, premium or principal shall be due and payable on the Series 2013A Bonds (a
“Payment Date”), the University shall transfer or cause to be transferred to the Paying Agent for deposit
an amount of money sufficient to cause the amount held in the Debt Service Fund to be equal to the
interest, premium and principal due on the Series 2013A Bonds on such Payment Date.

The Paying Agent shall, at appropriate times on or before each Payment Date, withdraw from the
Debt Service Fund the amounts needed on such date to pay the principal of and premium, if any, and

principal, premium and interest become due and payable.

Any moneys held in the Debt Service Fund and set aside for the purpose of paying any
Series 2013A Bonds which shall remain unclaimed by the holders of the Series 2013A Bonds for a period

The moneys in the Debt Service Fund are to be held in trust and applied as provided in the Bond Resolution and, pending such application, shall be pledged to, and subject to a lien and charge in favor of, the holders of the Series 2013A Bonds issued and outstanding under the Bond Resolution and for the further security of such holders until paid out or transferred as provided in the Bond Resolution.

Covenants Regarding Payment of Principal and Interest; Pledge of Pledged Revenues

The University covenants in the Bond Resolution to pay the principal of and the interest on the Series 2013A Bonds at the place or places, on the dates and in the manner provided in the Bond Resolution and in the Series 2013A Bonds, payable solely from Pledged Revenues. The University pledges the Pledged Revenues to the payment of such principal and interest and to the payment of any Parity Credit Obligations issued by the University. The Series 2013A Bonds and the interest thereon shall not be deemed to constitute any debt or liability of the Commonwealth. Neither the University nor the Commonwealth shall be obligated to pay the principal of or interest on the Series 2013A Bonds, or other costs incident thereto except from the Pledged Revenues, and neither the faith and credit nor the taxing power of the Commonwealth are pledged to the payment of the principal of or interest on the Series 2013A Bonds, or other costs incident thereto.

Covenants Regarding Additional Indebtedness and Encumbrances

Except as described in “SECURITY FOR THE SERIES 2013A BONDS” in this Official Statement, the Bond Resolution does not limit the right of the University to incur other Credit Obligations. As described in such section, the Bond Resolution does limit the University’s right to incur Parity Credit Obligations and Qualifying Senior Obligations and to further pledge any portion of the Pledged Revenues.

Other Covenants of the University

In the Bond Resolution, the University covenants that it will at all times carry or cause to be carried insurance policies with a responsible insurance company or companies, qualified to assume the risks thereof, or that it will maintain an adequate program of self-insurance, in either case sufficient to provide the University with insurance in such amount and covering such risks as the University shall deem to be reasonable and desirable. The University further covenants that it will keep accurate records and accounts of all items of cost and expenditures relating to the Pledged Revenues and the application of the Pledged Revenues. The University further covenants in the Bond Resolution that it will not convey, sell or otherwise dispose of any its property unless (a) such conveyance, sale or encumbrance is in the ordinary course of business, or (b) an Authorized Officer certifies in writing that, taking into account the conveyance, sale or other disposition of such property (i) the University will have sufficient funds to meet all of its financial obligations, including its obligations to pay principal of and interest on all Credit Obligations, for all Fiscal Years to and including the second full Fiscal Year after such conveyance, sale or other disposition and (ii) such Authorized Officer has no reason to believe that the University will not have sufficient funds to pay all amounts due under all indebtedness of the University then outstanding. The University further covenants in the Bond Resolution to do and perform all acts and things permitted by law and the Bond Resolution which are necessary or desirable in order to assure that the interest paid on the Series 2013A Bonds will be excludable from gross income from federal income tax purposes and to take no action that would result in such interest not being excludable from gross income for federal income tax purposes.
Events of Default

The following events are “Events of Default” under the Bond Resolution:

(a) due and punctual payment of the principal, purchase price or redemption premium, if any, of any of the Series 2013A Bonds is not made when the same becomes due and payable, either at maturity or by proceedings for redemption or otherwise;

(b) due and punctual payment of any interest due on any of the Series 2013A Bonds is not made when the same becomes due and payable;

(c) the University is for any reason rendered incapable of fulfilling its obligations under the Bond Resolution;

(d) an order or decree is entered, with the consent or acquiescence of the University, appointing a receiver or receivers of the University or any part thereof or of the revenues thereof, or if such order or decree, having been entered without the consent or acquiescence of the University, is not vacated or discharged or stayed on appeal within 60 days after the entry thereof;

(e) any proceeding is instituted, with the consent or acquiescence of the University, for the purpose of effecting a composition between the University and its creditors or for the purpose of adjusting the claims of such creditors pursuant to any federal or state statute now or hereafter enacted; or

(f) the University defaults in the due and punctual performance of any other of the covenants, conditions, agreements and provisions contained in such Series 2013A Bonds or in the Bond Resolution on the part of the University to be performed, and such default continues for 30 days after written notice specifying such default and requiring same to be remedied is given to the Board by any Bondholder, provided that if such default is such that it can be corrected but cannot be corrected within such 30-day period, it shall not constitute an Event of Default if corrective action is instituted by the University within such period and is diligently pursued until the default is corrected.

Remedies Upon Default

The Bond Resolution provides that, upon the happening and continuance of an Event of Default thereunder, the holders of not less than 25% in aggregate principal amount of the Series 2013A Bonds, by instrument or instruments filed with the University and proved or acknowledged in the same manner as a deed to be recorded, may appoint a trustee to represent the holders of the Series 2013A Bonds for the purposes in the Bond Resolution, which trustee may be the State Treasurer and shall be the same trustee so appointed with respect to all other outstanding Parity Credit Obligations.

Such trustee may, and upon written request of the holders of not less than 25% in principal amount of the Series 2013A Bonds then outstanding shall, in its own name:

(a) by mandamus or other suit, action or proceeding at law or in equity enforce all rights of the holders of the Series 2013A Bonds, including the right to require the University and its Board to collect fees, rents, charges or other revenues adequate to carry out any agreement as to, or pledge of, such revenues, and to require the University and Board to carry out any other agreements with the holders of the Series 2013A Bonds and to perform it and their duties under the Act;

(b) bring suit upon the Series 2013A Bonds;

(c) by action or suit in equity, require the University to account as if it were the trustee of an express trust for the holders of the Series 2013A Bonds; or
(d) by action or suit in equity, enjoin any acts or things which may be unlawful or in violation of the rights of the holders of the Series 2013A Bonds.

Any such trustee, whether or not all Series 2013A Bonds have been declared due and payable, shall be entitled as of right to the appointment of a receiver who may enter and take possession of any property of the University any of the revenues from which are pledged for the security of Series 2013A Bonds and operate and maintain the same and collect and receive all fees, rents, charges and other revenues thereafter arising therefrom in the same manner as the University itself might do and shall deposit all such moneys in a separate account and apply the same in such manner as the court appointing such receiver shall direct. In any suit, action or proceeding by the trustee the fees, counsel fees and expenses of the trustee and of the receiver, if any, shall constitute taxable costs and disbursements and all costs and disbursements allowed by the court shall be a first charge on any fees, rents, charges and other revenues of the University pledged for the security of Series 2013A Bonds.

Such trustee shall, in addition to the foregoing, have and possess all of the powers necessary or appropriate for the exercise of any functions specifically set forth in the Bond Resolution or incident to the general representation of the holders of the Series 2013A Bonds in the enforcement and protection of their rights.

To the extent permitted by law, upon the happening and continuance of any Event of Default under the Bond Resolution, any Bondholder may proceed to protect and enforce the rights of the holders of the Series 2013A Bonds by a suit, action or special proceeding in equity or at law, either for the specific performance of any covenant or agreement contained in the Bond Resolution or in aid or execution of any power granted therein or for the enforcement of any proper legal or equitable remedy. Any such proceedings at law or in equity shall be instituted, had and maintained for the equal benefit of all holders of the Series 2013A Bonds.

The Bond Resolution further provides for the pro rata application of available moneys to the payment of the principal of and interest on the Series 2013A Bonds and any Parity Credit Obligations.

**Supplemental Bond Resolutions Without Bondholder Consent**

The University may, from time to time and at any time, without the consent of any holders of the Series 2013A Bonds, adopt such supplemental resolutions as shall not be inconsistent with the terms and provisions of the Bond Resolution, as follows:

(a) to cure any ambiguity or formal defect or omission or to correct any inconsistent provisions in the Bond Resolution or in any supplemental resolutions;

(b) to provide for the issuance of certificated Series 2013A Bonds or to obtain or maintain a rating on the Series 2013A Bonds;

(c) to grant to or confer upon the Bondholders any additional rights, remedies, powers, authority or security that may lawfully be granted to or conferred upon the Bondholders;

(d) to add new conditions, limitations and restrictions on the issuance of other Credit Obligations by the University;

(e) to add to the covenants and agreements of the Board in the Bond Resolution other covenants and agreements thereafter to be observed by the Board or to surrender any right or power therein reserved to or conferred upon the Board;
(f) to comply with any proposed, temporary or permanent regulations regarding arbitrage rebate requirements of the Code; or

(g) to modify, alter, amend, add to or rescind, in any particular, any of the terms or provisions contained in the Bond Resolution, if in the opinion of the Paying Agent, who may rely upon an opinion of counsel nationally recognized in matters concerning municipal bonds, such supplemental resolutions shall not adversely affect or prejudice the interests of the Bondholders.

At least 30 days prior to the adoption of any supplemental resolution for any of the above purposes, the Secretary of the Board shall cause a notice of the proposed adoption of such supplemental resolution to be mailed, postage prepaid, to all registered owners of the Series 2013A Bonds at their addresses as they appear on the registration books. Such notice shall briefly set forth the nature of the proposed supplemental resolution and shall state that copies thereof are on file at the office of the Secretary of the Board for inspection by all Bondholders. A failure on the part of the Secretary of the Board to mail such notice shall not affect the validity of such supplemental resolution.

**Supplemental Resolutions Requiring Bondholder Consent**

Subject to the terms and provisions contained in the Bond Resolution, and not otherwise, the holders of not less than a majority in aggregate outstanding principal amount of the Series 2013A Bonds shall have the right, from time to time, anything contained in the Bond Resolution to the contrary notwithstanding, to consent to and approve the adoption of such resolution or resolutions supplemental to the Bond Resolution as shall be deemed necessary or desirable by the Board for the purpose of modifying, altering, amending, adding to or rescinding, in any particular, any of the terms or provisions contained in the Bond Resolution or in any supplemental resolution; provided, however, that nothing contained in the Bond Resolution shall permit, or be construed as permitting, (a) without the approval of all of the holders of the Series 2013A Bonds, (i) an extension of the maturity of the principal of or the interest on any Series 2013A Bond, (ii) a reduction in the principal amount of any Series 2013A Bond or the redemption premium or the rate of interest thereon, (iii) except as otherwise provided in the Bond Resolution, a preference or priority of any of Series 2013A Bond or Bonds over any other Series 2013A Bond or Bonds, or (iv) except as provided in the Bond Resolution, the release of the lien created by the Bond Resolution with respect to any Pledged Revenues, or (b) without the approval of all of the holders of the Series 2013A Bonds, a reduction in the aggregate principal amount of the Series 2013A Bonds required for consent to such supplemental resolution.

If at any time the Board shall determine that it is necessary or desirable to adopt any supplemental resolution for any of the above purposes, the Secretary of the Board shall cause notice of the proposed adoption of such supplemental resolution to be mailed, not less than 30 nor more than 60 days prior to the date of such adoption, postage prepaid, to all registered owners of the Series 2013A Bonds at their addresses as they appear on the registration books held by the Registrar. Such notice shall briefly set forth the nature of the proposed supplemental resolution and shall state that copies thereof are on file at the office of the Secretary of the Board for inspection by all Bondholders. The Board shall not, however, be subject to any liability to any Bondholder by reason of its failure to cause such notice to be mailed and any such failure shall not affect the validity of such supplemental resolution when consented to and approved as provided above.

Whenever, at any time within one year after the date of such notice, the Board shall deliver to the Paying Agent an instrument or instruments in writing purporting to be executed by the holders of not less than a majority or all, as appropriate, in aggregate principal amount of the Series 2013A Bonds then outstanding, which instrument or instruments shall refer to the proposed supplemental resolution described in such notice and shall specifically consent to and approve the adoption thereof in substantially the form of the copy thereof referred to in such notice, thereupon, but not otherwise, the Board may adopt.
such supplemental resolution in substantially such form, without liability or responsibility to any holder of any Series 2013A Bond, whether or not such holder shall have consented thereto.

If the holders of not less than a majority or all, as appropriate, in aggregate principal amount of the Series 2013A Bonds outstanding at the time of the adoption of such supplemental resolution shall have consented to and approved the adoption thereof as herein provided, no holder of any Series 2013A Bond shall have any right to object to the adoption of such supplemental resolution, or to object to any of the terms and provisions contained therein or the operation thereof, or in any manner to question the propriety of the adoption thereof, or to enjoin or restrain the Board from adopting the same or from taking any action pursuant to the provisions thereof.

Upon the adoption of any supplemental resolution pursuant to the provisions set forth above, the Bond Resolution shall be and be deemed to be modified and amended in accordance therewith, and the respective rights, duties and obligations under the Bond Resolution of the University, the Board and all holders of the Series 2013A Bonds then outstanding shall thereafter be determined, exercised and enforced in all respects under the provisions of the Bond Resolution as so modified and amended.

**Defeasance**

The University shall pay or provide for the payment of the entire indebtedness on all or particular outstanding Series 2013A Bonds in any one or more of the following ways:

(a) by paying or causing to be paid the principal of (including redemption premium, if any) and interest on such outstanding Series 2013A Bonds as and when the same become due and payable;

(b) by depositing with the Paying Agent, in trust, at or before maturity, moneys in an amount sufficient to pay or redeem (when redeemable) such outstanding Series 2013A Bonds (including the payment of premium, if any, and interest payable on such Series 2013A Bonds to the maturity or redemption date thereof), provided that such moneys, if invested, shall be invested at the written direction of the University in noncallable Government Obligations in an amount, without consideration of any income or increment to accrue thereon, sufficient to pay or redeem (when redeemable) and discharge the indebtedness on such Series 2013A Bonds at or before their respective maturity dates, it being understood that the investment income on such Government Obligations may be used for any lawful purpose;

(c) by delivering to the Paying Agent, for cancellation, such outstanding Series 2013A Bonds; or

(d) by depositing with the Paying Agent, in trust, noncallable Government Obligations in such amount as will, together with the income or increment to accrue thereon, without consideration of any reinvestment thereof, and any uninvested cash, be fully sufficient to pay or redeem (when redeemable) and discharge the indebtedness on such outstanding Series 2013A Bonds at or before their respective maturity dates, as an independent certified public accountant shall certify to the Paying Agent’s satisfaction;

and if the University shall pay or cause to be paid all other sums payable under the Bond Resolution by the University with respect to such Series 2013A Bonds, and, if such Series 2013A Bonds are to be redeemed before their maturity, notice of such redemption shall have been given as provided in the Bond Resolution or provisions satisfactory to the Paying Agent shall have been made for the giving of such notice, such Series 2013A Bonds shall cease to be entitled to any lien, benefit or security under the Bond Resolution. The University’s liability in respect of such Series 2013A Bonds shall continue provided that
the holders thereof shall thereafter be entitled to payment only out of the moneys or Government Obligations deposited with the Paying Agent as aforesaid.

Upon deposit with the Paying Agent, in trust, of money or Government Obligations in the necessary amount to pay or redeem all outstanding Series 2013A Bonds and compliance with the other payment provisions of the Bond Resolution, the Bond Resolution and the estate and rights granted thereunder shall cease, determine, and become null and void, and thereupon the Paying Agent shall, upon written request of the University, and upon receipt by the Paying Agent of a certificate of the President, the Chief Operating Officer or the Chief Financial Officer, each stating that in the opinion of the signers all conditions precedent to the satisfaction and discharge of this Bond Resolution have been complied with, forthwith execute proper instruments acknowledging satisfaction of and discharging this Bond Resolution and the lien hereof.
APPENDIX D

PROPOSED FORM OF OPINION OF BOND COUNSEL

[Closing Date]

The Rector and Visitors of
the University of Virginia
Charlottesville, Virginia

$168,830,000
The Rector and Visitors of the University of Virginia
General Revenue Pledge Refunding Bonds, Series 2013A

Ladies and Gentlemen:

We have acted as Bond Counsel in connection with the issuance by The Rector and Visitors of the University of Virginia (“University”) of the referenced General Revenue Pledge Refunding Bonds delivered as of this date (collectively, the “Bonds”). The Bonds are issued pursuant to Title 23, Chapter 4.10 of the Code of Virginia of 1950, as amended (“Act”), and certain resolutions (the “Resolution”) adopted by the Board of Visitors of the University (“Board of Visitors”) on February 22, 2013. We refer you to the Bonds and the Resolution for the definitions of capitalized terms not otherwise defined herein, and for a description of the purposes for which the Bonds are issued and the security therefor. We have examined certified copies of proceedings and other papers relating to the issuance of the Bonds, and have also examined the Constitution and the statutes of the Commonwealth of Virginia, including the Act, and a specimen of the Bonds.

As to questions of fact material to this opinion, we have relied upon (a) representations of and compliance with covenants by the University contained in the Resolution and certain other documents and certificates delivered this date, and (b) certificates of representatives of the University, certain of its affiliates and other parties, including, without limitation, representations, covenants and certifications as to certain prior tax-exempt bond issues, the use of the proceeds of the Bonds, compliance with the arbitrage reporting and rebate requirements and other factual matters which are relevant to the opinions expressed in paragraph 7, in each case without undertaking any independent verification. In addition, we have relied on computations provided by J.P. Morgan Securities LLC, Morgan Stanley & Co. Incorporated, Wells Fargo Bank, National Association and Causey Demgen & Moore P.C., the mathematical accuracy of which was verified by them, relating to the yield of certain investments purchased with a portion of the proceeds of the Bonds and the yield on the Bonds, without undertaking to verify such computations by independent investigation. We have assumed that all signatures on documents, certificates and instruments examined by us are genuine, all documents, certificates and instruments submitted to us as originals are authentic, and all documents, certificates and instruments submitted to us as copies conform to the originals. In addition, we have assumed that all documents, certificates and instruments relating to this financing have been duly authorized, executed and delivered by all parties thereto other than the University, and we have further assumed the due organization, existence and powers of all parties other than the University.

D-1
Based on the foregoing, it is our opinion that:

1. The University is a duly organized and validly existing public body constituted as a governmental instrumentality of the Commonwealth of Virginia, having the powers and authority, among others, set forth in the Act and in Title 23, Chapter 9 of the Code of Virginia of 1950, as amended.

2. The University has the requisite power and authority to adopt the Resolution, issue the Bonds and apply the proceeds from the issuance and sale of the Bonds as set forth in the Resolution.

3. The Resolution has been duly and validly adopted by the Board of Visitors, is binding upon the University and is enforceable in accordance with its terms.

4. The Bonds have been duly authorized, executed and delivered in accordance with the Act and the Resolution and constitute valid and binding limited obligations of the University, payable solely from the Pledged Revenues and other property pledged therefor under the Resolution. Except as provided in the Resolution, the Bonds are not payable from the funds of the University, nor do they constitute a legal or equitable pledge, charge, lien or encumbrance upon any of the properties of the University or upon its income, receipts or revenues. The Bonds do not create or constitute a pledge of the faith and credit of the Commonwealth of Virginia.

5. As permitted by the Act, the Resolution validly and legally pledges the Pledged Revenues to the payment of the Bonds. We point out, however, that under the Resolution (i) the University has previously issued and may issue Parity Credit Obligations secured by Pledged Revenues on a parity basis with the Bonds and (ii) Pledged Revenues excludes certain revenues previously or subsequently pledged to the payment of Qualifying Senior Obligations or necessary to pay operating or other expenses related to facilities or systems financed in whole or in part with Qualifying Senior Obligations.

6. The obligations of the University under the Bonds and the Resolution are subject to the provisions of applicable bankruptcy, insolvency, reorganization, moratorium and similar laws, now or hereafter in effect, relating to or affecting the enforcement of creditors’ rights generally. Such obligations are also subject to usual equitable principles, which may limit the specific enforcement of certain remedies but which do not affect the validity of the obligations. Certain indemnity provisions may be unenforceable pursuant to court decisions invalidating such indemnity agreements on grounds of public policy.

7. Interest on the Bonds, including any accrued “original issue discount” properly allocable to the holders of the Bonds, is excludable from gross income for federal income tax purposes and is not a specific item of tax preference for purposes of the federal alternative minimum tax imposed on individuals and corporations. For purposes of the alternative minimum tax imposed on corporations (as defined for federal income tax purposes) under Section 56 of the Internal Revenue Code of 1986, as amended (“Code”), interest on the Bonds is included in computing adjusted current earnings. The “original issue discount” on any Bond is the excess of its stated redemption price at maturity over the initial offering price to the public at which price a substantial amount of the Bonds of the same maturity was sold. The “public” does not include bond houses, brokers, or similar persons or organizations acting in the capacity of underwriters, placement agents or wholesalers. We express no opinion regarding other federal tax consequences arising with respect to the Bonds.

In providing the opinions set forth in this paragraph, we are assuming continuing compliance with the Covenants (as hereinafter defined) by the University. The Code and the regulations promulgated thereunder contain a number of requirements that must be satisfied after the issuance of the Bonds in order for interest on the Bonds to be and remain excludable from gross income for purposes of federal income taxation. These requirements include, by way of example and not limitation, restrictions on the
use, expenditure and investment of the proceeds of the Bonds and the use of the property financed or refinanced by the Bonds, limitations on the source of the payment of and the security for the Bonds, and the obligation to rebate certain excess earnings on the gross proceeds of the Bonds to the United States Treasury. The Resolution and the University’s tax certificate for the Bonds (the “Tax Certificate”) contain covenants (the “Covenants”) under which the University has agreed to comply with such requirements. Failure by the University to comply with the Covenants could cause interest on the Bonds to become includable in gross income for federal income tax purposes retroactively to their date of issue. In the event of noncompliance with the Covenants, the available enforcement remedies may be limited by applicable provisions of law and, therefore, may not be adequate to prevent interest on the Bonds from becoming includable in gross income for federal income tax purposes. We have no responsibility to monitor compliance with the Covenants after the date of issue of the Bonds.

Certain requirements and procedures contained, incorporated or referred to in the Resolution and Tax Certificate, including the Covenants, may be changed and certain actions may be taken or omitted under the circumstances and subject to the terms and conditions set forth in such documents.
